Geophysical and Geotechnical Survey at RIA for the FY15 Army Family Housing construction project sometime between **May 19** and **June 13**. The surveys involve ground radar, drilling soil borings, and loud noise. During the survey, areas may need to be closed to public access for safety purposes. These areas may include Whittemore St., Durnin Ave., Davenport Dr., parking lots north of Durnin Ave., areas around the garden plots and the playground and pavilion east of the Davenport House, and areas adjacent to Bldg. 312. The general area is depicted on the drawings, mainly the enclosure of the yellow lines and the immediate area near the west yellow line. Barricades, caution tape, and/or signs will be used to warn and detour pedestrians and motorists as needed.

The closure will affect Chestnut Avenue (south of B145), Lot 1K, Lot 1L and Lot 1LL. Barricades and signage will be placed. Closures are as noted: • Lot 1LL will be closed to all parking **June 2-21**, no POV or service vehicles will be allowed to park in this

area; • Lot 1L will be closed to all parking in the west three complete rows **June 2-21**. Parking Lot 0J and Lot 3K Repair:

Effective April 28, the Directorate of Public Works resumed work on repair of parking lots 0J and 3K, located north of buildings 60, 62, 360 and 390. The overall repair includes replacement of the asphalt paving and installation of curb and gutter on the north and south sides of Lot 0J and repaving of the south half of Lot 3K. Work will be completed in a three phased approach to minimize the effect on traffic flow and parking. Signage and safety barriers will be positioned at appropriate locations. Project is scheduled to be completed by **Sept. 1**. The attached drawing shows the phases for the project.

Future Ft. Armstrong Construction:

In the upcoming construction season, Rock Island Arsenal will be performing work on the intersection of Ft. Armstrong Drive and Rock Island Drive. This work will result in a full vehicle closure for the Installation's Rock Island Gate and Rock Island Viaduct, as well as restricting vehicles crossing the Government Bridge to "Installation-only" traffic. The American Discovery Trail will remain open. Construction is expected to last approximately two months, barring major weather delays. The exact construction start date is currently unknown. However, we have been coordinating with external agencies in an effort to minimize impact to the surrounding communities.

Reconstruction of River Drive from 19th Street to 23rd Street in Moline:

The Illinois Department of Transportation is planning the reconstruction of River Drive from 19th Street to 23rd Street in cooperation with the City of Moline. This work will be performed in preparation for the replacement of the 1-74 Mississippi River Bridge and will provide connection points along River Drive for the future interchange ramps. The proposed project consists of full removal

of the existing roadway in this area and replacement with new concrete pavement. In addition, new lighting, sanitary and storm sewers, water main, and a recreational path will be constructed throughout this section. In order to complete this work it will be necessary to close River Drive to traffic during the construction effort. The closure will be in effect from Sept. 8 to **Dec. 5**. The interchange of 1-74 with River Drive will also be closed during this time, but will reopen following the completion of this work. We have made every effort to limit the timeframe of the work so as to reduce inconvenience to you and your customers. Detour routes will be signed to ensure that motorists can access local businesses effectively.

Building/Space Closures

Door Closure, Bldg. 102: The Directorate of Public Works has closed the Bldg. 102 west door on Rodman Ave. until further notice. The stairs leading to the door were determined unsafe. A project is funded to make repairs and the door will be reopened after the stairs are repaired. Signs, barricades, and caution tape are posted to warn pedestrians and prevent access.

Asian American Pacific Islander Heritage Month

Observance: The 2014 RIA Asian American Pacific Islander Observance will be held on **May 21**, 1-2 p.m., at Heritage Hall, Bldg. 60. The guest speaker for the observance will

be Mat Matsuda from Knox College, a professor who has invested years in Asian studies. He is excited about promoting education to our Soldiers, sailors, airmen, Marines, coast guardsman, DA civilians and contractors of the Rock Island Arsenal. This year we recognize the challenges faced by Asian Americans, Pacific Islanders, and Native Hawaiians and their vital contributions to the American story. This year's theme "I Am Beyond" speaks about the many sacrifices Asian Americans and Pacific Islanders have endured along the way. On May 2, 1978, a joint congressional resolution established Asian/Pacific American Heritage Week. The first 10 days of May were chosen to coincide with two important milestones in Asian/Pacific American history: the arrival in the United States of the first Japanese immigrants on May 7, 1843, and contributions of Chinese workers to the building of the transcontinental railroad, completed May 10, 1869. In 1992, Congress expanded the observance to a month-long celebration. For additional information or accommodations please contact [Sgt. First Class Marion C. Children's Mental Health Awareness

– May 2014: Suicide among youth is a reality, and it is more common than we might think. Suicide is the third leading cause of death among 15 to 24 year olds, claiming more lives than any single disease or condition. Fortunately, the emotional crises that so often precede suicides are both recognizable and treatable, and good prevention tools can help parents identify a problem before it's too late. In honor of National Children's Mental Health Awareness Week, **May 4-10**, the Rock Island Arsenal Employee Assistance Program invites you to take advantage of the free and confidential counseling services that the program has to offer. Schedule an appointment with an EAP counselor by calling (309) 782-4357. Master-level counselors can provide information, short-term counseling, and referral services. The teenage years can be tumultuous – new relationships, decisions about the future, and even physical changes can be difficult to handle. If you have any concerns about your child's mental health, talk it over with a trained professional at the EAP. Warning signs of suicide: Call 9-1-1 or seek immediate help from a mental

health provider if you notice the following:

- Someone threatening to hurt or kill him/herself, or talking of wanting to hurt or kill him/herself
- Someone looking for ways to kill him/herself by seeking access to firearms, available pills, or other means

Seek help by contacting a mental health professional or calling 1-800-273-TALK for a referral should you notice anyone exhibiting one or more of the following:

- Hopelessness
- Rage, uncontrolled anger, seeking revenge
- Acting reckless or engaging in risky activities, seemingly without thinking
- Feeling trapped - like there's no way out
- Increased alcohol or drug use
- Withdrawing from friends, family and society
- Anxiety, agitation, inability to sleep or sleeping all the time
- Dramatic mood changes
- Excessive interest, talk, or writings focused on death, dying or suicide
- No reason for living; no sense of purpose in life.
