MEMORANDUM FOR All US Army Garrison Rock Island Arsenal (USAG RIA)
Employees

SUBJECT: Equal Employment Opportunity (EEO) Alternate Dispute Resolution
Program - Policy Memorandum #B-10

1. **Applicability and Effective Date:** This policy statement is applicable to all employees of the USAG RIA and is effective immediately.
2. **General:** The Equal Employment Opportunity Commission (EEOC) has mandated that an Alternative Dispute Resolution (ADR) Program be offered to employees on a voluntary basis to resolve workplace disputes. The Installation Management Command and the Department of the Army encourage the use of ADR when appropriate.
3. **Operational Procedures:**
 - a. It is in the best interest of all employees to create and maintain a harmonious and unified work environment which draws upon the talents and contributions of each individual.
 - b. Workplace disputes interfere with mission accomplishment, create disharmony and distract personnel from their duties. The traditional EEO complaint process is time consuming and can be very expensive. Under the traditional EEO process, third parties make decisions and the complainant has little control over the process or the outcome.
 - c. Alternate Dispute Resolution (ADR) has several advantages over traditional dispute resolution processes:
 - (1) ADR promotes healthy employment relationships by including the parties directly in reaching a resolution.
 - (2) ADR expedites resolution so a situation does not escalate.
 - (3) ADR recognizes the importance of the continuing employment relationship.
4. **Summary:** Use of the ADR process enhances our ability to work together to accomplish our mission. I encourage you to support the objectives of the ADR program and to use it for workplace issues which arise.
