MEMORANDUM FOR US Army Garrison Rock Island Arsenal Employees, 1 Rock Island, Rock Island, IL 61299-5000

SUBJECT: Garrison Commander's Policy on Safety and Health - Policy Memorandum #B-03

1. References:

a. 29 CFR 1960, Basic Program Elements for Federal Employee OSHA Programs and Related Matters.

b. AR 385-10, The Army Safety Program, 27 Nov 13.

c. IMCOM Regulation 385-10, Safety Program, 05 Apr 13.

2. Applicability and Effective Date. This policy statement is applicable to the US Army Garrison Rock Island Arsenal (USAG RIA) and is effective immediately.

3. General. As Commander of the USAG RIA, I embrace ownership of and the responsibility for the Garrison's safety and health program.

4. I am committed to the following:

a. Providing each Garrison employee with a safe and healthful environment, free of recognized hazards that could cause injury or illness.

b. Visibly supporting each element of the safety and health program through my active leadership and direct participation and ensuring we establish and meet challenging safety and health goals and objectives.

c. Successfully achieving "world-class" safety performance through our programs that assign accountability for continuous improvement in safety year after year.

5. Summary. As your Garrison Commander, I want to advise each of you that you also have ownership of the safety and health program. You are accountable for results, just as I am. I firmly believe that our primary and mutual objective is to reduce the number of injuries and illnesses to zero. I also believe there is no task that is so critical or urgent that it cannot be accomplished both safely and properly.
